MEMORANDUM FOR: Coordinator for Academic Relations  
FROM :  STATINTL  
ORPA/USSR  
SUBJECT : Request to Lecture at Augsburg College and  
St. Thomas College in Minneapolis-St. Paul

I have been asked to lecture at Augsburg College and St. Thomas College (Minneapolis-St. Paul, Minnesota) on Soviet policy in Africa and the Middle East on April 17-18, 1979. The trip is being sponsored by Professor Winston Chrislock, Professor of History at St. Thomas, who is an old colleague of mine from graduate school days.

I would be identified as a CIA employee. I will lecture without notes; no classified materials would be involved, and politically sensitive areas will be avoided.

I believe that expenses would be around \$300 to cover expenses for airfare and per diem for three evenings.
